## INDEPENDENT AUDITORS' REPORT

■ To the Board of Directors of  
Wiregrass Foundation

We have audited the accompanying statement of financial position – income tax basis of Wiregrass Foundation as of December 31, 2006, and related statements of activities and cash flows – income tax basis for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in note A, these financial statements were prepared on the basis of accounting Wiregrass Foundation uses for income tax purposes, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wiregrass Foundation as of December 31, 2006, and the changes in its net assets and its cash flows for the year then ended, on the basis of accounting described in note A.

Wiregrass Foundation  
Notes to Financial Statements  
For the Year Ended December 31, 2006

**NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Activities**

Wiregrass Foundation is a private, non-operating foundation. The Foundation's purpose is to fund programs that will have a significant impact on the quality of health, education, and community development in Dothan, Alabama and the surrounding counties. They accomplish this purpose by providing grants to other non-profit agencies that demonstrate a need for funding to provide programs that help meet these goals.

**Basis of Accounting**

The financial statements of Wiregrass Foundation have been prepared on the income tax basis of accounting. This basis reflects the financial position of the Organization at December 31, 2006, and the changes in its net assets and its cash flows for the year then ended as they are reported on their 2006 form 990-PF. In accordance with this basis of accounting, unrealized gains and losses from investments are accounted for as changes in net assets, not as revenue increases or decreases.

**Revenue**

The Organization's revenue is derived from earnings from investments consisting of interest income, dividend income, and gains and losses resulting from sales of investments.

**Estimates**

The preparation of financial statements in conformity with the income tax basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Concentrations**

The Organization is located in Dothan, Alabama and has limited the area they intend to serve to Dothan and the surrounding counties.

The assets of the Organization are concentrated in cash and investments. Accordingly, their income is dependent on the economic growth and stability of the financial market. Deposits in excess of the FDIC insurance coverage limit of \$ 100,000 are common.

**Property and Equipment**

Acquisitions of property and equipment with a useful life exceeding one year are capitalized. Property and equipment are carried as cost. Depreciation is computed using primarily the straight-line method over the estimated useful lives of the assets, generally ranging from three to seven years.

Wiregrass Foundation  
Notes to Financial Statements  
For the Year Ended December 31, 2006

**Income Taxes**

The Organization is a not-for-profit organization that is exempt from income taxes under 501(c)3 of the Internal Revenue Code. They are classified by the Internal Revenue Service as a non-operating, private foundation. Excise taxes on net investment income are paid by the Organization as a component of the annual 990-PF tax filing. The amount of excise tax on net investment income for 2006 was \$ 223,581, of which \$ 15,064 was paid and \$ 223,581 was accrued at year end. The Organization had no unrelated business income subject to income tax for the year.

**Investments**

Investments are reported at their fair values in the statement of financial position – income tax basis. Unrealized gains and losses are recorded as changes in unrestricted net assets. Investment income composed of interest, dividends, and gains/losses from the sale of investments is recorded as revenue in the statement of activities – income tax basis.

**Cash and Cash Equivalents**

Cash and cash equivalents include all monies in banks and highly liquid investments with maturity dates of less than three months. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments.

- Cash and cash equivalents: The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.
- Equities, bonds, and U S Treasury securities: The fair values of investments are based on quoted market prices for those or similar investments.
- Alternative investments: The fair value of the alternative investments is the value provided by the broker.

For 2006, these accounts had unrealized gains in the amount of \$ 85,543. This increase is reported in the Statement of Activities – Income Tax Basis as an increase to unrestricted net assets.
